## Education

**University of California, San Diego — Class of 2020**  
B.S. Cognitive Science (Design and Interaction focus)

## Experience

### **User Experience Developer Intern — CAIDA**

June - September '18

Enriched UI elements of a crowdsourcing-based platform for Internet QoE measurement tasks. Tasks produced hundreds of results from 43 users who signed up in the first round of experimenting.

### **Investment Data Science Intern — AlphaCore Capital**

April - June '18

Assisted in the creation, improvement and analysis of risk factors in micro/macro market structures. Contributed to research for a published white-paper in the Alternative Investment Analyst Review.

### **Web Application Developer — Quickly**

Winter '17

Designed and implemented a tool for students to download their class schedules as a calendar file. Cleaned and extracted data from Excel file and polished UI.

### **User Interface Developer — Chatroom Visuals**

Spring '16

Replicated Apple's iMessage messaging application by recreating the frontend components from scratch.
