## Education

**University of California, San Diego, June 2020**
B.S. Cognitive Science (Design and Interaction)

## Experience

### UX Developer Intern, CAIDA

June - September 2018

Enriched UI elements of a crowdsourcing-based platform for Internet QoE measurement tasks. Tasks produced hundreds of results from 43 users who signed up in the first round of experimenting.

### Investment Data Science Intern, AlphaCore Capital

April - June 2018

Assisted in the creation, improvement and analysis of risk factors in micro/macro market structures. Contributed to research for a published white-paper in the Alternative Investment Analyst Review.

### Web App Developer, Quickly

Winter 2017

Identified user needs to create a tool for students to download their class schedules as a calendar file. Implemented UI, cleaned and extracted data from Excel file.

### UI Designer, chatroom visual components

Spring 2016

Replicated Apple's iMessage messaging application by recreating the visual components with Java.

## Skills
