(510) 604 1030

Education

University of California, San Diego — June 2020
B.S. Cognitive Science (Design and Interaction focus)

Experience

UX Developer Intern — CAIDA

June - September '18

Enriched UI elements of a crowdsourcing-based platform for Internet QoE measurement tasks. Tasks produced hundreds of results from 43 users who signed up in the first round of experimenting.

Investment Data Science Intern — AlphaCore Capital

April - June '18

Assisted in the creation, improvement and analysis of risk factors in micro/macro market structures. Contributed to research for a published white-paper in the Alternative Investment Analyst Review.

Web App Developer — Quickly

Winter '17

Identified user needs to create a tool for students to download their class schedules as a calendar file. Implemented UI, cleaned and extracted data from Excel file.

UX Designer — chatroom visuals

Spring '16

Replicated Apple's iMessage messaging application by recreating the visual components with Java.
