education

University of California, San Diego - Class of 2020
B.S. Cognitive Science / Design and Interaction

experience

Frontend Developer Intern at CAIDA
June - September '18

Enriched UI elements of a crowdsourcing-based platform for Internet QoE measurement tasks. Tasks produced hundreds of results from 43 users who signed up in the first round of experimenting.

Investment Data Science Intern at AlphaCore Capital LLC
April - June '18

Assisted in the creation, improvement and analysis of risk factors in micro/macro market structures. Contributed to research for a published white-paper in the Alternative Investment Analyst Review.

Developer - Quickly web application
Winter '17

Designed and implemented a tool for students to download their class schedules as a calendar file. Cleaned and extracted data from Excel file and polished UI.

Developer - chatroom visual components
Spring '16

Replicated Apple's iMessage messaging application by recreating the frontend components from scratch.
